April to June

2025

Providing services to children aged 0-4 years and their families

Supporting Families

The wind told the grass
And the grass told the trees
The trees told the bushes
And the bushes told the bees
The bees told the robin
And the robin sang out clear
wake up! wake up!
Spring is here!

Speech & Language therapist

Hi, I'm Claire McKee, the new Speech and Language Therapist in Splash Surestart. I will be running Story and Rhyme Time over the coming months and offering a chance for you to meet with me at 'Chatter matters' if you would like to chat about your child's speech and language development. I am passionate about supporting parents and carers to develop their child's communication skills through everyday routines and play. I look forward to meeting you all soon!

Take a look at our programmes for April to June and contact the office to express your interest.

Developmental programme for 2 - 3 year olds

The Developmental Programme for 2-3 Year Olds offers holistic support for children, supporting both children and parents as they navigate these crucial early years.

The Developmental Programme for 2-3 Year Olds is a programme that supports children's social, emotional, physical and language development. The programme is delivered to children aged between 2 years 2 months and 3 years 2 months on the 1st of September of the intake year. The programme operates during the full academic year and each child will receive three 2.5 hour sessions per week. The programme aims to foster greater independence, increase levels of attention and concentration, and help children settle in quickly to their pre-school setting

Children eligible must have a date of birth between 02/07/22 - 01/07/23.

Please see our website/Facebook page for more information.
